BANK CARD PROTECTION BEYOND FIREWALLS

A very serious security breach affecting Target focused unwelcome publicity on that retail chain last fall, but they were hardly alone in being “**TARGETed**”. Recent headlines across the country have been trumpeting news about shadowy hackers tearing through firewalls at credit processors – ALL routinely subject to technology certification audits --- and making off with MILLIONS of card numbers.

These incidents only reaffirm the severe limitations of snapshot security evaluations and spotlight the inherent security flaws of constantly evolving payment systems. They underscore the vulnerabilities that will remain with us until such time as data gets locked down EVERYWHERE it transits the on-line pipeline, can be rendered invulnerable or is made useless if stolen.

Pending resolution of this tall and costly order, your best back-up defense in a world chock full of determined web thieves remains solid insurance protection. Fidelity and cyber-risk policies may provide some limited protection, but these coverage's are not broad enough to address the full peril.

If you have not investigated or adopted bank card coverage, get in touch with Rex Wyon, Inc. We understand the problem, know this market well, and will work closely with your institution and our underwriters to construct a comprehensive shield whose limits and options precisely match individual business situations, programs and budgets.

Please take a moment to scan the summary and sample policy appended to this broadcast. Familiarize yourself with the parameters of our typical program coverage. Once you have, call us to find out how we can adapt it to help you thwart the major, constant and very real threats to your bank card program.

Don't wait! Your adversaries in cyberspace most certainly won't!

Bank Card Protector Policy Unique State-of-the Art Protection for Bank Cards

What Is my exposure?	Bank Cards dominate transaction volumes with over 50 Billion transactions in 2008 and growing. Recently (in the first quarter of 2009), U.S. Debit Card purchase volume exceeded Credit Card purchase volume for the first time ever. Fact is Fraud is growing at almost the exact pace as transactions with fraud losses exceeding \$1 Billion in 2008.
What is the impact of Fraud?	<ul style="list-style-type: none"> • Fraudsters know what they are after. • Attacks are highly sophisticated. • Significant increase in counterfeit fraud. • Phishing fraud on the rise. • Key logging fraud. • Skimming fraud • Merchant Data Breach.
What kind of Fraud losses has been covered?	<ul style="list-style-type: none"> • A community bank in Wyoming had a customer's card skimmed while on vacation and used in Brazil. Over \$12,000 was taken out of the account before the customer returned to discover the loss. The bank used a neural fraud detection system and read their foreign transaction report but had been notified by the customer that he was out of the country on vacation. • A community bank in Wisconsin had a customer living in an assistant living facility; the customer's card was stolen along with the PIN by an employee of the facility. The thief took about \$9,000 from the account and since most of the transactions were PIN based the neural fraud system didn't respond early enough to shut down the card. • A data breach at a restaurant caused a bank in Massachusetts to have over 20 cards breached causing a total loss of over \$38,000 before a CAMS report was ever released. Most of the fraudulent transactions were made in Mexico.
What Else?	<ul style="list-style-type: none"> • Approximately 65% of all paid losses were from international transactions. • Risk Management analytics are recommended but Fraud will still occur. • Financial Institutions are 100% liable for fraudulent Debit Card transactions.
Advantages of the Bank Card Protector	<ul style="list-style-type: none"> • Worldwide Coverage. • Low Deductibles. • No Adverse Experience on the Financial Institution Bond. • Best Rated "A+" Carrier.

Standard Differences between the Chartis Bank Card Program and Other Policies

1. Other Policies offer coverage for a counterfeit card but the definition requires that the card must be encoded, embossed or printed with the cardholders account information. This would cover an actual card that is duplicated but may not cover a 'white card' or an Internet transaction that does not include a physical card.
2. Other Policies include a requirement that the Insured must have a signed application for coverage. This requirement eliminates a bin hit/card generator scheme. In these type losses a fraud gang actually generates cards and card numbers from software that uses a bank's Bin number to generate random numbers assigned to the bank from the card association. Sometimes they use Bin numbers from banks that are no longer in existence but have been merged into the Insured. They then use the cards internationally, in places like Madrid, Hong Kong or London.
3. Another condition to some other policies is the funds must be verified. This will eliminate any off-line transaction. Every on-line system goes down each day for updates when they go down transactions are processed off-line. Fraudsters use this time to process transactions from International systems hoping to avoid declined transactions.
4. Another condition is the transaction must not exceed the cardholders balance for coverage. This will or may exclude coverage if the bank has either an overdraft privilege or the account is tied into a line of credit such as a second mortgage line of credit.
5. Most policies have an Exclusion that voids coverage if the Insured can legally chargeback the transaction to the cardholder. This may create a grey area with respect to Regulation E. If the cardholders' card is skimmed and the cardholder is not aware of the card being compromised the customer cannot comply with Regulation E notification requirements. In this case the bank would cover the loss but would not be covered by most other carrier's insurance.
6. Most coverage would not cover a loss caused by a transaction through the Internet when approved by either Verified by Visa or MasterSecure. Banks are now liable for Internet transactions when the cardholder has signed up for either system.
7. Most coverage would not cover a loss if the fraudulent transaction occurred outside of the United States or Canada. This creates a large gap in coverage since the bank has no control over where a fraudster uses the card.

All the above situations would be covered by the Chartis Policy. In addition our deductible is a per card deductible of \$1,500 vs. most competitors \$5,000 or higher deductibles. In addition Chartis offers a separate policy; losses in the Bond will not affect the experience of this policy and vice-a-versa.

Coverages described in this brochure are generally stated for the purpose of promotion. This material does not modify or amend the terms, conditions, coverages or exclusions of the policy.

4. DISCOVERY OF LOSS AND EXTRA EXPENSE

This Policy applies only to **Loss and Extra Expense** as defined in the Policy, discovered by the **Insured** during the **Policy Period** or the **Discovery Period** (if applicable). Discovery occurs when the **Insured** first becomes aware of facts which would cause a reasonable person to assume that a **Loss and/or Extra Expense** of a type covered by this Policy has been or will be incurred, regardless of when the act or acts causing or contributing to such **Loss and/or Extra Expense** occurred, even though the exact amount or details of loss may not then be known.

Upon discovery of **Loss or Extra Expense**, the **Insured** must take all reasonable action to stop further **Loss and Extra Expense**.

The **Insurer's** total liability for all **Loss and Extra Expense** discovered during the **Policy Period** shown in Item 2 of the Declarations and the **Discovery Period** (if applicable) shall not exceed the **Aggregate Limit of Liability** indicated in Item 3 of the Declarations. The **Aggregate Limit of Liability** shall be reduced by the amount of any payment made under the terms of this Policy. Upon exhaustion of the **Aggregate Limit of Liability** by such payments:

(1) The **Insurer** shall have no further liability for any **Loss and Extra Expense** regardless of when such **Loss and Extra Expense** are discovered and whether or not such **Loss and Extra Expense** were previously reported to the **Insurer**, and

(2) Any recovery made and applied in accordance with subsections (a) and (b) of Section 9 of this Policy shall in no way serve to increase or reinstate the **Aggregate Limit of Liability** indicated in Item 3 of the Declarations.

B. PER CARD LIMIT OF LIABILITY:

Subject to the **Aggregate Limit of Liability** indicated in Item 3 of the Declarations, the **Insurer's** liability for all **Loss and Extra Expense** involving a single **Bank Card** or single **Bank Card** number shall not exceed the applicable **Per Card Limit of Liability** indicated in Item 3 of the Declarations. If a **Loss** is covered under more than one **Insuring Agreement**, the maximum payable under this Policy shall not exceed the largest applicable **Per Card Limit of Liability**.

C. SINGLE LOSS LIMIT OF LIABILITY:

(1) Subject to the **Aggregate Limit of Liability** indicated in Item 3 of the Declarations, the **Insurer's** liability for **Loss and Extra Expense** for each **Single Loss** shall not exceed the applicable **Single Loss Limit of Liability** indicated in Item 3 of the Declarations. If a **Single Loss** is covered under more than one **Insuring Agreement**, the maximum payable under this Policy shall not exceed the largest applicable **Single Loss Limit of Liability**.

(2) Subject to the **Aggregate Limit of Liability** indicated in Item 3 of the Declarations, the **Insurer's** liability for **Extra Expense** for each **Single Loss** shall not

exceed the **Extra Expense Single Loss Sublimit of Liability** indicated in Item 3 of the Declarations.

6. EXERCISE OF CHARGEBACK RIGHTS

The exercise of chargeback rights is a condition precedent to coverage under the Policy. Any **Loss** and/or **Extra Expense** for which the **Insured** had chargeback rights against a merchant and for which the **Insured** did not exercise those chargeback rights will be excluded from coverage under the Policy. Moreover, any payment under the Policy will be net of any amounts received by the **Insured** pursuant to the exercise of the **Insured's** chargeback rights.

7. DUTIES IN THE EVENT OF LOSS

After the **Insured** discovers a loss or a situation that may result in loss, the **Insured** must:

- B. Furnish to the **Insurer** proof of loss, duly sworn to, with full particulars as the **Insurer** shall require, within six (6) months after discovery of the loss;

- D. Produce for the **Insurer's** examination all pertinent records; and
- E. Fully cooperate with the **Insurer** in the investigation and resolution of the loss.

8. COVERAGE TERRITORY

9. SUBROGATION - RECOVERY - COOPERATION

- A. The **Insurer** shall be subrogated to all of the **Insured's** rights of recovery thereof against any person or entity to the extent of such payment, and the **Insured** shall execute all papers required and shall do everything that may be necessary to secure such rights including the execution of any and all documents necessary to enable the **Insurer** to effectively bring suit in the name of such **Insured**. The **Insured** shall execute all papers and render assistance to secure to the **Insurer** the rights and causes of action provided for herein. The **Insured** shall do nothing after discovery of **Loss** and/or **Extra Expense** to prejudice such rights or causes of action.
- B. Recoveries, whether affected by the **Insurer** or by the **Insured**, shall be applied net of the expense of such recovery first to the satisfaction of the **Insured's Loss** and/or **Extra Expense** which would otherwise have been paid, but for the fact that it is in excess of either the **Single Loss Limit of Liability** indicated in Items 3 and 5 of the Declarations or the **Aggregate Limit of Liability** indicated in Items 3 and 5 of the

Declarations; secondly, to the **Insurer** as a reimbursement of amounts paid in settlement of the **Insured's Loss** and/or **Extra Expense**; and thirdly, to the **Insured** in satisfaction of any **Deductible** amount. Recoveries do not include any recovery from insurance, suretyship, reinsurance, security or indemnity taken for the **Insurer's** benefit.

10. OTHER INSURANCE OR INDEMNITY

Coverage afforded hereunder shall apply only as excess over any valid and collectible insurance, bond or indemnity obtained by the **Insured**, or by another entity which employed the person causing the **Loss** and/or **Extra Expense**. If the limit of the other insurance, bond or indemnity is insufficient to cover the entire amount of the **Loss** and/or **Extra Expense**, this Policy will apply only to that part of the **Loss** and/or **Extra Expense**, other than that falling within any applicable **Deductible** amount, not recoverable or recovered under the other insurance, bond or indemnity, subject to this Policy's applicable **Limit of Liability**.

11. POLICY SOLE USE AND BENEFIT - NO ASSIGNMENT

This Policy shall be for the sole use and benefit of the **Insured** named in the Declarations. The **Insured's** rights and duties under this Policy may not be transferred or assigned without the **Insurer's** written consent.

12. DEDUCTIBLE AMOUNT

A. The **Insurer** shall be liable hereunder only for the amount by which all **Loss** involving a single **Bank Card** or single **Bank Card** number, as defined in Section 2, exceeds the **Per Card Deductible** amount indicated in Item 4 of the Declarations for the **Insuring Agreement** applicable to such **Loss**, subject to the applicable **Aggregate Limit of Liability** indicated in Item 3 of the Declarations and the applicable **Single Loss Limit of Liability** indicated in Items 3 of the Declarations.

In the event the sum total of all **Per Card Deductible** amounts for any **Single Loss** exceeds the **Maximum Loss Deductible**, the **Per Card Deductible** will not apply to further **Losses** resulting from such **Single Loss**.

B. The **Insurer** shall be liable hereunder only for the amount by which all **Extra Expense** resulting from a **Single Loss** exceeds the **Extra Expense Single Loss Deductible** amount indicated in Item 4 of the Declarations, subject to the **Aggregate Limit of Liability** and the **Extra Expense Single Loss Sublimit of Liability** indicated in Item 3 of the Declarations.

13. TERMINATION OR CANCELLATION

This policy shall terminate in its entirety upon the occurrence of any of the following:

A. Sixty (60) days after the receipt by the **Insured** of a written notice of cancellation from the **Insurer** for any reason other than non-payment of premium;

B. Ten (10) days after receipt by the **Insured** of a written notice of cancellation from the **Insurer** for non-payment of premium, or such lesser or greater amount as required by law;

- C. Immediately upon the receipt by the Insurer of a written notice from the Insured of its desire to cancel this Policy;
- D. Immediately upon the acquisition of the Insured by a receiver or other liquidator or by State or Federal officials, it being understood that in such circumstances, the availability of any renewal and/or Discovery Period is at the sole discretion of the Insurer;
- E. Immediately upon the acquisition of the Insured by another entity or institution; or
- F. Immediately upon expiration of the Policy Period as set forth in Item 2 of the Declarations.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

14. EXTENDED PERIOD TO DISCOVER LOSS AND EXTRA EXPENSE

Except as indicated below, if the Insured shall cancel this policy, the Insured, upon payment of the respective **Additional Premium Amount** described below, shall have the right to a period of three, six, nine or twelve months after the effective date of such cancellation (herein referred to as the **Discovery Period**) in which to give to the Insurer written notice of facts which would cause a reasonable person to assume that a **Loss** and/or **Extra Expense** of a type covered by this Policy has been or will be incurred. The rights contained in this paragraph shall terminate, however, unless written notice of such election together with the additional premium due is received by the Insurer within 30 days of the effective date of cancellation. The **Discovery Period** is not cancelable. This clause and the rights contained herein shall not apply to any cancellation resulting from non-payment of premium.

The Additional Premium Amount for:

- i. three months shall be 25% of "full annual premium";
- ii. six months shall be 50% of "full annual premium";
- iii. nine months shall be 75% of "full annual premium"; and
- iv. twelve months shall be 100% of "full annual premium"

As used herein, "full annual premium" means the premium level in effect immediately prior to the end of the Policy Period.

The **Aggregate Limit of Liability** stated in Item 3 of the Declarations is the limit of the Insurer's liability for all **Loss** and/or **Extra Expense** reported during the **Policy Period** and **Discovery Period** (if applicable). In no event shall the purchase of a **Discovery Period** entitle the Insured to additional **Limits of Liability**.

15. RECORDS

The Insured shall keep all records of all **Bank Card** transactions in such a manner that the Insurer can accurately determine from them the amount of **Loss** and **Extra Expense**.

16. GENERAL COVERAGE AGREEMENTS

A. ADDITIONAL OFFICES - NOTICE

If the **Insured** shall, while this Policy is in force, establish any additional offices, other than by consolidation or merger with, or purchase or acquisition of assets or liabilities of, another entity or institution, such offices shall be automatically covered hereunder from the date of such establishment without the requirement of notice to the **Insurer**.

B. CHANGE IN CONTROL OF NAMED ENTITY

If during the **Policy Period**:

1. the **Insured** shall consolidate with or merge into, or sell all or substantially all of its assets to any other person or entity or group of persons or entities acting in concert; or

2. any person or entity or group of persons or entities acting in concert shall acquire an amount of the outstanding securities representing more than 50% of the voting power for the election of directors of the **Insured**, or acquires the voting rights of such an amount of such securities;

(either of the above events herein referred to as the **Transaction**)

then this Policy shall continue in full force and effect as to **Loss** and/or **Extra Expense** occurring prior to the effective date of the **Transaction**, but there shall be no coverage afforded by any provision of this Policy for any **Loss** and/or **Extra Expense** occurring after the effective date of the **Transaction**. The Policy may not be canceled after the effective date of the **Transaction** and the entire premium for this Policy shall be deemed earned as of such time. The **Insured** shall also have the right to an offer by the **Insurer** of a **Discovery Period** described in Clause 14 of the Policy.

The **Insured** shall give the **Insurer** written notice of the **Transaction** as soon as practicable, but not later than thirty (30) days after the effective date of the **Transaction**.

C. LOSS COVERED UNDER THIS POLICY AND PRIOR INSURANCE ISSUED BY US OR ANY AFFILIATE

If any **Loss** and/or **Extra Expense** is covered:

1. Partly by this Policy; and
2. Partly by any prior cancelled or terminated insurance that the **Insurer** or any affiliate had issued to the **Insured** or any predecessor in interest;

The **Insurer's** maximum aggregate Limit of Liability for all **Loss** and/or **Extra Expense** combined shall not exceed the greater of the Limit of Liability of this Policy or the limit of liability of such other policy.

D. POLICY CONSTRUCTION

The descriptions in the headings of this Policy are solely for convenience, and form no part of the terms and conditions of coverage.

This Policy affords coverage only in favor of the **Insured**. No suit, action or legal proceeding may be brought hereunder by any party other than the **Insured**.

17. ACTION AGAINST INSURER

The **Insured** may not bring any legal action against the **Insurer** involving any **Loss** and/or **Extra Expense**:

- A. Unless the **Insured** has complied with all terms of this Policy;
- B. Until 90 days after the **Insured** has filed proof of loss with the **Insurer**; and
- C. Unless brought within two (2) years from the date the **Insured** discovered the **Loss** and/or **Extra Expense**.

18. REPRESENTATIONS OF INSURED

In granting coverage under this Policy, it is agreed that the **Insurer** has relied upon the statements and representations contained in the application for this Policy (including materials submitted therewith and, if this is a renewal application, all such previous policy applications for which this Policy is a renewal) as being accurate and complete. All such statements and representations shall be deemed to be material to the risk assumed by the **Insurer**, are the basis of this Policy, and are to be considered as incorporated into this Policy.

It is clearly understood that all internal controls noted in the application and attachments shall remain in full force during the **Policy Period** as a condition precedent to the coverage provided under this Policy.

19. SERVICE OF SUIT

Subject to Clause 17, it is agreed that in the event of failure of the **Insurer** to pay any amount claimed to be due hereunder, the **Insurer**, at the request of the **Insured**, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the **Insurer's** rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Counsel, Legal Department, Chartis Specialty Insurance Company, 175 Water Street New York, NY 10038, or his or her representative.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefore, the **Insurer** hereby designates the Superintendent, Commissioner, or Director of Insurance, other officer specified for that purpose in the statute, or his or her successor or successors in office as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the **Insured** or any beneficiary hereunder arising out of this contract of insurance, and hereby designates the above named Counsel as the person to whom the said officer is authorized to mail such process or a true copy thereof.
